

Jonathan Butt

am seeking a seat on the Newfoundland and Labrador Soccer Association Board of Directors to bridge the gap between grassroots community involvement and strategic provincial governance. Having spent a lot of my life on the pitch and my professional years in the boardroom, I am eager to contribute to the continued growth, transparency, and excellence of soccer across Newfoundland and Labrador.

Soccer has been a constant throughout my life which has been continued through my two children which are also dedicated to sport. My perspective is shaped by three distinct lenses: as a lifelong player, a dedicated "soccer parent," and a coach.

I offer the NL Soccer Community a unique combination of athletic passion and administrative knowledge. My experience as a Director of the Hearth Patio BBQ Association has prepared me to handle the fiscal and strategic responsibilities of a director of NLSA, while my time with Mount Pearl Metro and school sports keeps me grounded in what matters most: the players, the coaches, and the future of soccer in our province.""
